Dear Parent/Carer

Next **Tuesday 15th October** we will be supporting and raising money for the Connor Saunders Foundation. This foundation is a charity set up by the parents of Connor Saunders who tragically died aged just 19 years old.

All pupils and staff are invited to wear as much BLUE clothing as possible to school in exchange for a £1.00 contribution.

The charity will be coming into school for the morning of the 15th October and talking to all our Year 5/6 children about why they were set up and what they do. During the assembly the Connor Saunders Foundation will be presenting our school with our own defibrillator to have in school. After the assembly each Year 5/6 class will take part in First Aid workshops.

We are the 100th school that the foundation has presented a defibrillator to, and we feel very privileged to be able to share this occasion with them.

If you would like to know more about The Connor Saunders Foundation and the excellent work they do, please visit the charity's website at <https://www.connors5.com/>

Thank you for your support.

Yours sincerely

Mrs Becky Linford
