Monday 11th May 2020

Dear Parents/Carers

I hope you all enjoyed the lovely weekend weather and celebrating VE Day.

Following the Prime Minister's announcement yesterday, we await further details and clarification from the DfE regarding the potential phased return for children in Year 6, Reception and Year 1. The safety of all our children and staff is my priority. At this stage, the school remains closed to all except the children of Key Workers and children who are vulnerable. Once we have a clear plan and process to accepting additional children safely in school, we will let you know.

SPORTS Virtual Competition

It is great to see some children, families and teachers taking part and logging their scores. This week it is **FOOTBALL**. Please click on the link and have a look at: <https://www.activesussex.org/virtual/> This gives you the activities to have a go at and you can log your score. You can do this as many times as you want!

Keep in Touch

If you do have any concerns about helping your child learn or you need any other support from the school, please remember you can let us know either by messaging your class teacher on the VLE, emailing the School Office or phoning school. We will respond to you as soon as we can. **Please check in on the VLE regularly as this helps us know you are safe and well.**

We have loved seeing the children's fantastic learning from home and are tweeting when we can! Please follow us on: <https://twitter.com/beedingprimary> Please keep sending their work in by post, or taking a picture and sending via email or the VLE, as we are showcasing work on our Twitter feed.

Childcare

If you fall into one of the Key Worker categories where it is essential you have childcare, please email the School Office with the completed form attached to this letter. If you are unable to send us an email, please telephone us on **01903 812288** to let us know when you can collect a form. Please leave a message if necessary.

It is really helpful for us to have this information as soon as possible so we can ensure we have enough staff in school to meet the needs of the children we have in our care and ensure we follow Covid-19 guidelines.

Current Guidance from the Government Regarding Covid-19 is:

1. Stay at home as much as possible
2. Work from home if you can
3. Limit contact with other people
4. Keep your distance if you go out (2 metres apart where possible)
5. Wash your hands regularly

Thank you again for your continued support, stay safe and well.

Best wishes
Becky Linford
Headteacher
