Dear Parent/Carer

Re: Global Consent Form for Off Site School Visits

As you are aware your child will be taking part in off site visits, trips and activities during their time at Upper Beeding Primary School.

We always seek parental consent before allowing children to participate in any off site activity and we will now be requesting this on a global consent form. The only exception will apply to residential trips where specific permission will be requested. We will still be communicating with you regarding specific activities/outings and you are welcome to raise any concerns you may have.

We would like to assure you that all of our off site activities comply with strict requirements placed upon us by the Department for Education. These include using West Sussex County Council approved transport companies, risk assessing all activities, ensuring adult/pupil ratios are met and always having a qualified first aider present.

We would therefore be grateful if you could complete and return the attached global consent form which will then be valid throughout your child's time at Upper Beeding Primary School.

Yours faithfully

Becky Linford
Head Teacher

GLOBAL CONSENT FORM

I understand I have the right to withdraw my child from a specific activity if necessary.
