Dear Parents/Carers

Annual Reindeer Fun Run 2025

At Upper Beeding Primary School we are once again grabbing our antlers and holding our very own Reindeer Fun Run on Thursday 11th December in aid of Chestnut Tree House, our local children's hospice.

In the morning the challenge will begin! In their classes the children will don their antlers and begin their fun run around the Golden Mile track, supporting each other as they go. You never know, Father Christmas might even make a guest appearance!

Every child will be given their very own set of reindeer antlers to wear as they run around, and they are able to keep these.

It currently costs Chestnut Tree House well over £3million per year to provide all of their FREE care services, yet they receive less than 7% of their funding from central government. This means they need to raise 93p in every £1 through fundraising, and it is because of events like ours that they are able to continue to provide this vital care to local children and families. Please look at the presentation sent with this letter which gives a bit more information about the wonderful work Chestnut Tree House does.

Every single penny counts for this wonderful charity, so it would be very much appreciated if you could contribute just £2.00 to cover the cost of the antlers and make a small donation to Chestnut Tree House. By all means contribute more if you are able, your support is much appreciated. ParentPay has been set up to collect your donations, or cash may be handed in at school, thank you.

This is a very exciting event for all the children and staff and we are proud to be taking part as a school once again. And it looks like the weather will actually be kind to us!

Thank you in advance for your support; it really is very much appreciated.

Yours sincerely
Mr Andrews
