## KS2 Summer Disco and Games Party

Thursday 16<sup>th</sup> July 2026

5:30pm – 7:00pm

Every Christmas and Summer the school has traditionally held a disco for the KS2 children (years 3 to 6). However, the event has had the same format for years, and was in serious need of a revamp to make it more exciting. This we did at the Christmas event, it was very enjoyable, and the new format was deemed a big hit. So we are using the new format with the Summer event.

The new, improved KS2 Disco and Games Party is run by our very own BeeFit Tina who has years of experience in running fun events for children of all ages. There will be dancing, games and lots of organised fun for everyone attending.

The tuck shop side of the event has also been revised. Instead of children bringing in lots of money to spend on tuck, we are including a tuck bag within the ticket price. The bag will include two non-fizzy sugar-free drinks, a bag of crisps, a chocolate item and a small packet of sweets. This will limit the amount of tuck the children are eating, and you won't need to find cash for the event.

We are selling (virtual) tickets to this event costing £5.00 each. This will cover payment for BeeFit Tina to run the event and the goodie bag for the children. ParentPay will be set up for ease of payment.

We think the new format will mean a much more fun event for the children, and be easier for yourselves as there will be no cash involved.

To keep costs down, there will be no physical ticket issued. Please purchase tickets via ParentPay before the event so we actual know numbers attending. The event is open to all children in Years 3, 4, 5 and 6.

We expect all children to be collected by their usual adults after the party. However, if your Year 5/6 child is allowed to walk home afterwards, please email the office to advise. Similarly, if you wish your child to be collected by someone else, please let the office know.

We are looking forward to a fun event!

Regards

Key Stage Two Team
