Head Teacher: Mr M Andrews

Dear Parents and Carers

You may have seen in the news that the KS2 SATS results will now not be published until Thursday 16<sup>th</sup> July rather than the 7<sup>th</sup> July as was promised. This is due to problems with the company responsible for the marking of the papers.

As the SATs results form a key part of the Year 6 annual school reports, this delay means we will not be able to send Year 6 reports to parents/carers until after the 16<sup>th</sup> July.

In the interest of fairness we will, therefore, not be sending school reports to parents, regardless of year group, until Friday 17<sup>th</sup> July.

Thank you for your understanding.

Mr Andrews  
Head Teacher
