Head Teacher: Mr M Andrews

Friday 11<sup>th</sup> October 2024

Dear Parent/Carer,

## Blood, Bones and Body Bits Wow Day! – Years 5 and 6

We are thoroughly enjoying immersing ourselves in our current topic and have been very impressed by all of the fantastic work that your children have been producing. We look forward to sharing and celebrating this with you in our parent/teacher meetings after half term.

On **Monday 11<sup>th</sup> November**, in order to relaunch our topic after half term, we will be having a Wow Day in school. The day will consist of a variety of activities related to our topic and, in addition to this, the children will have the opportunity to visit the 'Explorer Dome' which will take them on an immersive experience through the human body. As we are sure you will agree, this is a fantastic opportunity for children to further their learning in a fun, interactive and engaging way!

### Explorer Dome – The Human Body Show

*"Disgusting digestion from top to bottom! Join us on a hands-on journey to discover food groups and teeth and then head down the oesophagus to take a look at the form and function of your digestive system. Experience ingestion, digestion, absorption and egestion from plate to poo!"*

In order to contribute towards the costs associated with the day, we will be asking for a voluntary contribution of **£10.00** which can be paid for online via your child's sQuid account. This will be such a lovely day, and we would love all the children to be able to participate. If you have any difficulty with making this contribution, please speak to your child's class teacher or Mr Andrews in confidence. Unfortunately, we may have to consider cancelling this WOW Day experience if we don't receive adequate contributions towards the costs involved.

We really hope that you share our enthusiasm for this fantastic opportunity and we cannot wait to see how much fun the children are going to have.

Yours sincerely,

Mr Jones, Miss Underdown and Mr Long  
Year 5/6 Class Teachers
