Wednesday 8th September 2021

Dear Parent/Carer

Next **Friday 17th September** we will be supporting and raising money for the Connor Saunders Foundation. This foundation is a charity set up by the parents of Connor Saunders who tragically died aged just 19 years old.

All pupils and staff are invited to wear to school as much BLUE clothing as possible in exchange for a £1.00 contribution. Blue is the colour suggested by the charity for fundraising days as Connor was an avid supporter of Chelsea FC.

The Connor Saunders Foundation came into school 2 years ago to teach first aid and also donated to us our very own school defibrillator. We were the 100th school that the Foundation presented a defibrillator to. We would very much like to continue to support them in their charity work, collaborating with schools and the community, and raising awareness about basic first aid that children can administer and how to help each other.

If you would like to know more about The Connor Saunders Foundation and the excellent work they do, please visit the charity's website at <https://www.connors5.com/>

Thank you for your support.

Yours sincerely

Mrs Becky Linford
Head Teacher
