10th January 2022

Dear Parent/Carer

Confirmed Case of Covid-19-Greece Class

We have unfortunately had a confirmed case of Covid-19 reported in Greece class. This is an isolated case and we can confirm we do not currently have any further cases at all in Key Stage 1.

However, we would like to reassure you that we still have stringent measures in place to minimise the chance of the spread of Covid-19 within school and would ask you to be vigilant in recognising updated Covid-19 symptoms to include the Omicron variant, which may present as a: new or continuous cough; high temperature; loss of taste and smell; sore throat; headache; runny nose.

We would also encourage you to do regular lateral flow tests on your child to help pick up any asymptomatic cases.

If you have any queries at all, please do not hesitate to contact us.

Kind regards.

Yours faithfully

Becky Linford (Mrs)
Head Teacher
